

GUESTS AND PROFESSIONAL VISITORS

Representatives from relevant government departments;

Entrepreneurs and technical backbones, specially invited guests from large-scale survey, design and construction groups;

Business executives, technical persons in charge of material and equipment procurement;

Commercial Counsellors of Foreign Embassies or consulates in P.R.China.

EXHIBITORS

2021 - 2022 CHINA CONCRETE EXHIBITION

*Nanjing International Expo Center
Hall 4、5、6*

March 30 to April 1, 2022

ORGANIZER: **CCPA**
(China Concrete and Cement-based Products Association)

CONTENT

- Ready-mixed concrete and ready-mixed mortar production equipment, construction and transportation equipment;
- Ultra-high performance concrete (UHPC) materials, equipment, process technology;
- Machine-made sand and gravel aggregate production and manufacturing equipment;
- Concrete admixture;
- 3D printing materials, technology and equipment;
- Environment-friendly and energy-saving high-performance lightweight aggregate equipment and production line;
- Equipment and technology for resource utilization of construction waste;
- Intelligent and information technology in the field of ready-mixed and precast concrete;
- Precast concrete component (PC) production equipment, construction and transportation equipment;
- Decorative concrete, eco-concrete products and technologies;
- Manufacturing equipment, construction and transportation equipment for concrete pipe culverts, concrete poles, concrete piles, concrete segments, fiber cement boards/calcium silicate boards and other products;
- Manufacturing equipment and construction equipment for aerated concrete products;
- Raw materials, auxiliary materials, and supporting installation materials for the production and construction of concrete and cement products;
- Inspection and testing equipment and related tools and instruments for concrete and cement products

CHINA CONCRETE EXHIBITION

2020

2022

Exhibition time: December 3-6, 2020
Exhibition area: 24000 square meters
Number of exhibitors: 200 +
Professional audience: 19000 +

✓ Exhibition time: **March 30 to April 1, 2022**
✓ Exhibition area: **36000 square meters**
✓ Number of exhibitors: **300 +**
✓ Professional audience: **20000 +**

EVENTS

- 2021-2022 CCPA(China Concrete and Cement-based Products Association) Convention;
- 2021-2022 Grand Lecture of China Concrete;
- Summit for Entrepreneurs;
- More than 30 high-level seminars and technical forums;
- International forum on the "Belt & Road";
- Thematic exchanges between design institutes, construction companies and industry production companies;
- More than 10 new products, new applications and new technology release events;
- More than 1,000 audience signed up to participate in the National Concrete Design Competition, the National UHPC Ball Rebound Competition, the Eco-Concrete Innovation Design and Application Competition, the National Admixture Application Technology Competition, and the National Fiber Cement Board Architectural Art Creative Design Competition.
