About the EU Business Mission

The EU Business mission is a part of the project Support to EU-AZ Business Forum funded by the European Union and implemented by AHK.

The main objective of this business mission is to explore investment opportunities in the agricultural sector in Lankaran as well as gain deeper understanding of the recent agricultural developments in the region.

Side visits, meetings with entrepreneurs and agriculture experts as well as governmental interlocutors are foreseen.

Transportation Baku-Lankaran-Baku, lunch and interpreter will be provided by the organizers. Participation is free of charge.

For the registration please use registration link bellow or send an email to *Emil.Ahmadzada@ahk-baku.de* with your contact details, name of the company and your position.
